## INDUSTRIAL LEAGUE

Games for Monday, July 5th:  
American & British Co. vs. Singer Mfg. Co., West End Park, 10:30.  
U. M. C. Co. vs. Ept. Brass Co., Newfield Park, 8:00.  
Union Typewriter Co. vs. Warner Bros. Co., West End Park, 3:15.  
Crane Valve Co. vs. Crane Valve Co. No. 2, Crane field, 3:15.

Brassies intend to take one from the Yosts today.

If it is not the first, it will never be the second.

Justice has triumphed. The Brassies have been awarded the two games which they rightfully earned.

It is now John Edward Barton, press agent for the Industrial League. Any managers having kicks to register, or notes of the game to hand out, John Edward will be on hand to receive the same.

Warner Brothers ought to be able to take a victory from the Yosts Monday, as it is stated that the latter team will not present their regular batting order. In that event the game will be a hammer, otherwise the Yosts would have a walk away.

Things have not been going the best ever over the American & British way. It is now Manager Tierman, in place of Manager Ben Cole, who has resigned. Cole will never, still continue to play in the infield, as he is too valuable a man to drop out.

This Murray, pitcher for the American & British team who claimed to have been the Hudson River League of last season, was not much with the Industrials. He has lost his last employment for parts unknown.

A net backstop on the Yost field prevents all balls from being damaged by striking on the viaduct. This is only one of many improvements contemplated on this popular field.

Don't dodge the tickets when the collectors go about during the games. Remember the boys give up their Saturdays and holidays for the entertainment of others. The more they receive the bigger the holiday for them at the finish of the scheduled let be one that they will long remember. Show that you are an enthusiast by wearing a ticket in your hat.

Robinson, pitcher on Manager Kent's staff of Brassies, has applied for an umpire's berth. He's big enough to take care of the position, and could not be any worse than some of those managers who have people believe that McCann's present staff is composed of.

The directors have appointed a committee to act in conjunction with the St. Joseph M. & L. Society in regard to fitting up a suitable baseball field in the East Side. At present are the fields of the city are on the west side of the river, with the exception of Newfield Park, which is used only occasionally. They may have the fields on the west side, but they have to go across the river to get the players.

The Locomobile Co. team which is making a runaway race in the Factory League, are quoted as being anxious to join the Industrials. They have a very strong team in the younger organization, one which would give the leaders of the Industrials a very good run for honors, and then beat them. They may have a chance to get going before the present season is finished.

The game at Crane field Monday afternoon will again bring the teams from the Main street and West End plants of the Crane Valve Co. together. There is a flying in every play when these two teams meet. The last encounter was a victory for the West Enders, 10-3. It goes without saying that No.

2 will have to travel faster this time than before to take the bacon.

The salary of the supervisor of scorers because of the increased amount of work he has to do this season in figuring up the players' averages, has been increased to \$2.50 per week. The prizes offered for batting and fielding honors calls for the extra work.

The finances of the league before many more Saturdays have been reached will read in the four figures. Though some of the returns at the games have been poor, returns at other contests have sufficiently offset these drawbacks.

No. 1 Cranes are in need of a good working battery, one that has seen some work, the equal of the Industrial League, before they can be reckoned as contenders for the pennant. Their present pitchers are young and willing, but cannot stand the gaff.

Which of the teams will take the three games in as many days? It's hard work, but some of the leaders ought to do it. It will be extra hard working on the club with only one reliable twirler or catcher.

## CORNELL WINS ALL RACES, MAKING TWO RECORDS

Poughkeepsie, N. Y., July 3.—Cornell oarsmen made a clean sweep yesterday afternoon at the annual regatta of the Intercollegiate Rowing Association on the Hudson River here. The victories were emphatic and complete, and to make them more pronounced two records were established in the "Varsity" four and freshman eight event. It was a vindication of the Courtney stroke and system of training, for the Cornell crews won easily, and the victories were secured by a combination of science and physical development.

The Ithacans captured the "Varsity" fours by five lengths in 10:01, which is 14.2 seconds better than the best previous record made by Syracuse in 1906. The freshman eight-oared race also went to Cornell by one length, the time being 9:07 3-5, which reduces the former record of 9:18 made by Cornell in 1903 by 10.2 seconds.

Cornell's time for the "Varsity" eight-oared race, which the Ithacans also won by a length, was 19:02, which was close to record time. A strong wind and favorable tide were partially responsible for the fast time.

The races were rowed in the following order:  
**VARSITY RACE, FOUR MILES.**  
Cornell, 10:01; Columbia, 19:04 2-5; Syracuse, 19:15 1-5; Wisconsin, 19:24 1-5; Pennsylvania, 19:32 1-5.  
**VARSITY FOUR, TWO MILES.**  
Cornell, 10:01; Syracuse, 19:19; Columbia, 19:12; Pennsylvania, 19:27.  
**FRESHMAN EIGHT, TWO MILES.**  
Cornell, 9:07 3-5; Syracuse, 9:15 4-5; Pennsylvania, 9:21; Wisconsin, 9:22 4-5; Columbia, 9:26.

## LIVE BASE BALL TIPS

Hartford is here for a double header this afternoon.

Springfield plays a league game with the Orators to-morrow at Speelchase.

Three hits were all the Orators could glean off Ray Fisher yesterday.

Schmalz, our new first baseman, though he showed up in Bridgeport Thursday evening did not get in yesterday's game.

Middle Nolte, must also be all in, when the Hartford sluggers, who bring up the rear of the batting teams of the organization can gather ten hits.

"Bore" Bourquin is due for a session on the bench. He started the season in fine style stopping everything that came his way. For the last few weeks he has hardly missed a game without a slip-up, while yesterday he missed three. His batting though weak has been timely.

"Rube" Pollard has been sent back to the wilds of Glenbury to recuperate, and to be recalled whenever needed. This was his first season with league baseball, doing fairly well. He had the habit of sticking the ball too squarely over the pan, which was meat for the league batsmen. That he could elude the sphere there is no doubt.

Cincinnati went down to defeat in an eleven inning game with St. Louis yesterday, but it was not Tommy Downey's fault that his team did not win out. Tommy got in his usual hit, being at bat four times. It was on the pastures that he starred. Eleven chances without an error, and working in the double plays, one of them unassisted.

Owner Clarkin of Hartford says that any number of big league clubs have been trying to purchase Pitcher Fisher, but he will not part with him until the close of the season.

New Britain cranks declare that they will not be satisfied unless the Haganaes take both games from Hartford Monday.

Hartford tried to shove Metzger in to bat for Tom Scanlon in the Hartford-Holyoke game Thursday, but the "ump" waved him back because he was not garbed in the same kind of uniform as the other Senators wore. Scanlon then went in and shoved out a single.

Holyoke is the only team in the league that has Pitcher Fisher's goat. Every time the Hartford man has gone up against the Papermakers this season he has had to be relieved before the end of the game.

Billy Hanna can see no reason why his team will not be leading the league at the end of the month. That he has made a good guess is acknowledged by all fair minded fans. All the weak spots have been bolstered up, the team being as good at fielding as at hitting.

Hanna says that there are only two pitchers in the league who can trim his team, Fisher of Hartford, and Gibbs of Bridgeport. He made an offer to Manager Jim for the local pride, but was given the laugh. If the Orators let Freddie go, where would they be?

Halligan, who was traded for Jawh Hese.

Hugh Jennings has announced that the Detroiters will meet the Pittsburghers in the world's series. Hugh says that the Chicago Cubs have no chance without Catcher Kling, while the Giants without Beanehead or Donlin cannot better their present position.

Holyoke will be without the services of Catcher Ahearn for some days. In Thursday's game with Hartford a foul tip from Justice's bat jammed his mask into his forehead and opened up an ugly cut. Beaumont will now do the regular duty. By the way, Beau is not showing up to advantage with the Papermakers.

Four home games next week. For Independence morning, Springfield is here, New Haven on Wednesday, New Britain on Friday, and Northampton closes the week on Saturday. The games abroad include the afternoon contest in Springfield on Monday, Northampton Tuesday, and New Britain, Thursday.

The game to-morrow afternoon at Speelchase with Springfield will be called at 3:30 o'clock. Pop Rising, Jack Collins and the few other players of the Ponies ought to find the track for a couple of homers if Collins ever lands on the ball, which he very seldom fails to do. The track will be too short a distance for the sphere to land on its big leagues for the new Pony.

Monday's game, also with Springfield will be called at 10:15, so as to allow the players to make connections to play in Springfield in the afternoon.

The Sailors from the U. S. S. Nebraska will play the West Ends a return game at West End Park to-morrow at 3:30 o'clock. McCrary, the pitcher who struck out 22 of the West End batters in the fourteen inning game which was played between these two clubs will again be in the box for the Sailors. Murray, Hanner and Kerr will probably be the local battery.

The Newfields will this afternoon take a trip to White Plains to play the team of that town, leaving on the 12:23 train. To-morrow they are in Rochester.

Manager Dillon of the Lincolns has permission to play at the Meadows to-morrow and is anxious to secure a game with any first class amateur team, Brooklands, Maplewoods or the Lenox A. C. preferred.

The big game for to-morrow in this city will be played at the Flats between the South Ends and the All-Waterburies. Game called at 3:30 o'clock. The latter team claim the semi-professional championship of the state, but the local team are out to dispute it. The visitors will have two crack pitchers in Moran, the former Niagara University twirler, and Wallace a former Connecticut league cracker. For the local lads Nick Carter and Mike Lucia will be the battery.

The Mohicans would like to play any of the following teams Sunday, July 4th, the North Ends, Stratford, Diamonds or Maplewoods. On Monday the Mohicans play the Island Brooks at 10 o'clock at Hair's lot.

If any 11 or 12 year old teams in the city would like to form a league, please send a postal to M. Amrich, 235 Pembroke street.

The Hillside Juniors challenge any 13 year old team, the Stratford Reserves preferred for a game Sunday at 3:30 o'clock on the Summerfield diamond.

"Honest John" O'Leary has been let go by the local baseball management. John was obtained from Hartford, with which club he played last season. At the end of last season he was sent to the Columbia team of the South Atlantic league. The purchase price was never paid, and he was released by the Senators, who turned him over to the Orators. It was no-

ticed that when he arrived in this city that he was not looking well, being about 25 pounds under weight. The Southern climate under which he was playing, it seems, did not agree with him. O'Leary played but three games with the local club, being way below form.

## SUGAR TRUST BRIBERS JAILED IN JAPAN

(Special from United Press.)  
Tokio, July 3.—Twenty members of Parliament were today found guilty of having received bribes in connection with the passage of legislation favoring the new Japanese "Sugar Trust" as the result of trials that followed an investigation by the ministry. One of the accused men was sentenced to spend from three to eight months in jail and each was fined a sum equal to the bribe he received. Seven members were granted clemency.

Tokyo, a member accused of having induced the others to pass the legislation, was not granted clemency.
